Portland, OR 97224

Dear Shelley:

On behalf of the students and staff at Durham Elementary School we wanted to extend a huge thank you for ordering both your Thanksgiving and Christmas gift cards through our Scrip program again! Your order generated a total of \$240 in profit for our school. Because we are doing a cash-for-class program this year, the profit will go to Mrs. Pam Kenyon's classroom by way of your cousin, Noah.

It takes the community to support our schools and you have certainly done your part by contributing to our Parent Support Organization. You should be proud of your generosity. Mrs. Kenyon and her class will be able to decide how they want to spend the money, whether it is an additional field trip, classroom supplies or a number of other things to benefit the education of the students. On behalf of Mrs. Kenyon's class we thank you!

We continue the Scrip program throughout the school year, so please let us know if you have other needs.

Sincerely,

Martha Gaty and Jenn MacDonald  
Durham Scrip Coordinators

thank you  
from noah
