Dear Shelley,

Donate Life Northwest thanks you for your generous contribution of \$250.00. Your kindness is deeply appreciated. Your contribution makes an impact in our community providing donor registration education and outreach in Oregon and Southwest Washington.

No one knows this impact more than Marissa, age 18, who received a kidney transplant in 2009. Everyday Marissa thanks her donor that gave her a second chance at life. She is also thankful for Donate Life Northwest's education outreach efforts in adding people to the donor registry. Marissa's dream is for others just like her, to receive the gift of life, sight and mobility. You are helping Donate Life Northwest give hope to those still waiting for a live saving transplant.

Thank you for supporting Donate Life Northwest. Generous contributors, like you, make all the difference. You make it possible for Donate Life Northwest to share its important message about registering to be an organ, eye and tissue donor.

Sincerely yours,
